**Date: 8<sup>th</sup> April, 2020.**

**Circular for Parents: Re-admission & Books.**

**Dear Parents,**

As we all know, Covid-19 has shaken the entire world like nothing else, ever before! It has affected a large number of people, spread over the entire world! More than anything else, it has dented man's confidence and belief that he can control all lesser forms of life! In these testing times, I am grateful to God for keeping our NBMMS family safe. I will continue to sincerely pray for the well-being of each one of us, and I am sure, your prayers to heal the world, would join mine! Surely, journeying through these tough times, facing unforeseen challenges at every step has been quite an ordeal for everyone. However, these are the times when, inspite of 'social distancing', we all need to come together and brave the crisis. Let us stand by each other, lending a hand of support, ignoring any difference of opinion in our points of view, we might have had so far! We realise that as temples of learning, schools have much greater responsibility in present circumstances, when all possible must be done to empower our students emotionally, socially and intellectually. Thus, with the core intent of being an exemplary school, and taking cognizance of the entire situation, the School Management has very sensitively decided to take the following steps to ease out the financial burden of the parents:

1. **As we are a self-financed, private school, the timely fee payment made by you will make a difference. If God has been kind to you and not impacted you financially, I entreat you to pay for the readmission at the earliest.**
2. **Readmission is necessary to get access to the new classes and to the online study App (Pocket Study).**
3. Readmission procedure will be only through online payment.
  - Please cooperate with us for the smooth functioning of the school.
  - All are requested to pay the fee through online mode.
  - All students are promoted to the next class.

**STAY HOME, STAY SAFE.**

In any emergency please contact the following:

2. The Principal : 9874441332
3. Mr. Prosanto Biswas : 6294208298

Your gesture will strengthen the foundation of our partnership in education, which is at the very core of every great institution. I look forward to the Covid-free days soon, bringing us back to the school, safe and healthy, for another fulfilling academic session!

God bless you!
